THE BRICK WORKS E17

Set close to the open spaces of the Walthamstow Wetlands and Lea Valley Park, near the site of an old brick kiln, where bricks and tiles were made, this stunning new development offers the perfect opportunity to own a home in a popular London location.

The Brick Works comprises 14 beautifully appointed new apartments within two eye-catching new buildings that use brick in a bold new way to create a confident design statement. The windows are deliberately larger than usual to add to the light and space inside, while every home has its own balcony or terrace to provide private outdoor space.

Living at The Brick Works you will have access to communal gardens and play area. The nearest Tesco is just around the corner and Blackhorse Road station only a short walk away. Whether you work locally, or commute into the centre of London, The Brick Works is your ideal starting point.

GET THE WALTHAMSTOW VIBES

Whether you're meeting up with friends over a flat white or rounding off a busy day with an artisan sour-dough pizza, Walthamstow has it all.

The William Morris Gallery is a famous local landmark, set in beautiful grounds. And, when it comes to shopping, Walthamstow has its own mall, open air market, antiques market and High Street.

THE TRANQUIL FLOW OF WALTHAMSTOW

Walthamstow Wetlands is Europe's largest urban wetland reserve, with no less than ten reservoirs, a range of walking trails to explore and a world of wildlife to discover.

Whether you're watching the kingfishers from an observation platform, walking beside the water or relaxing in the café, it's great to have the Wetlands to escape to whenever you wish. And it's not the only area of greenery nearby. Epping Forest, with its ancient woodlands, is easy to get to from The Brick Works.

In fact, Walthamstow places you close to so many of the things that matter in life. The huge choice of shops and the fabulous sports facilities in Stratford, the clubs and bars of Shoreditch and Brick Lane, and the traditional charm of Spitalfields and the Columbia Flower Market are on hand. This is a part of the world that offers everything!

Waltham Forest has more green space than any other borough north of the Thames and it's the perfect place to unwind and connect with nature.

SHARED OWNERSHIP

Shared Ownership is a government backed affordable home ownership scheme which makes it easier for first time buyers to get on the property ladder. Buyers purchase a share of a property, anything between 25%-75%, and pay a subsidised rent on the remaining share. As your circumstances change you can purchase more shares in the property (known as staircasing), or you can sell your share and move on to a new home.

Shared Ownership has helped thousands of first time buyers onto the property ladder throughout England for over 40 years. To be eligible for a Shared Ownership home, you must:

- Be at least 18 years old
- In London your annual household income must be less than £90,000
- You should generally be a first time buyer, i.e. you don't already own a home. If you do already own, you must be in the process of selling it
- You should not be able to afford to buy a home suitable for your housing needs on the open market
- You must be able to demonstrate that you have a clean credit history and can afford the regular payments and costs involved in buying a home.
