ST JAMES SQUARE

MOMENTS FROM THE CITY AND THE SEA

Great homes for everyone

Welcome to St James Square

New apartments

In a coastal community

Discover St James Square and a brand new collection of shared ownership homes, within the coastal community of Portslade, Brighton and Hove. Only moments from the shoreline and nine minutes by train to Brighton, these apartments offer the best of both worlds.

Enjoy the calm and tranquillity of your own coastal neighbourhood. Or head to the city for the culture, variety and creativity that everyone knows, Brighton does best.

Desirable waterfront living

The reinvention of St James Square is part of a wider initiative to create a vibrant place to live, out of a once-industrial area. Historical street patterns are being reintroduced and a 'green corridor' of elms, hedges and seasonal plants creates a fresh and green environment for residents to feel part of. The main courtyard space is overlooked by stylishly designed apartments with generous balconies and windows.

Rooms are generously proportioned and finished in neutral tones, providing the perfect blank canvas for your own style and personalisation.

Many of the apartments on the south-facing side of this six storey development enjoy views across Baltic Wharf and the sea beyond, while everyone has easy access to the wide range of watersports at Hove Lagoon.

All these features work together to make St James Square a stylish and desirable waterfront development. A perfect place to call home.

Tree-lined pedestrian walkways link through and around St James Square, making this an attractive and welcoming place to live.

Love living local

Great activities to choose from Indoors and out

One of the great joys of living in Brighton and Hove is ready access to the South Downs National Park, with its rolling green pastures, ancient woodlands, river valleys and dramatic coastlines. Perfect whether you like to hike, cycle, run, picnic or relax. Brighton also has endless attractions to keep kids of all ages entertained, whether that's the fairground rides on the seafront, Brighton Marina with its shows, dining and shopping options, or the history and culture of the Royal Pavilion and Garden.

If you're a water sports fan, head to Shoreham-by-Sea. The beach there is used by windsurfers and kite surfers, as well as being a favourite destination for walkers.

If it's a local pocket of outdoor entertainment you're looking for, head from your new home in St James Square to one of several local parks. Vale Park, Fishergate Park and Wish Park Playground are all close by. But if you're a skater at heart, Hove Lagoon Skate Park is another nearby option.

Design and specification

We've created three alternative design and specification options that are allocated to different apartments in St James Square. Each option offers the same high-quality standards. The difference is the colour selection for the apartment flooring, kitchen units and splashback, bathroom tiling, and roller blinds. Please refer to the following floorplans to confirm which colour option comes with which type of apartment.

Offering choice and differentiation is part of the Hyde commitment to customers.

What our customers say

Shared ownership

Shared ownership is a scheme which has been specifically designed to help those who are unable to afford the cost of buying a property outright on the open market.

It works by enabling you to purchase a share in your new home, and pay a subsidised rent on the part you don't own to Hyde New Homes.

You will own an equity share in your new home. A lease is a legal document between the freeholder or landlord and the purchaser and is binding on both sides and since you will own a lease you will be a 'leaseholder'. The lease covers the responsibilities including maintenance, rent settings, purchasing more equity, selling and insurance. You will have these responsibilities as a full owner occupier.
