The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

The small shopping precinct in Bryn, five minutes' walk away, includes a pharmacy, a butcher, food takeaways and a large convenience store, open from 6am to 11pm, that incorporates a Post Office. A wider selection can be found in Ashton-in-Makerfield's traditional high street area, less than a mile and a half away, where assorted local traders and services are interspersed with pubs, cafés, and restaurants. There is an Aldi supermarket, and a retail park with larger stores just off the main street. Wigan's picturesque pedestrianised town centre, with its comprehensive choice of high street names, is just four miles away.

Leisure amenities within around 20 minutes' walk include Ashton Leisure Centre, with a gym, swimming pools and sports facilities, a Lions Den fitness centre, and a trampoline park with a climbing wall and soft play area. To the east, the Three Sisters karting track sits alongside a nature reserve, an adventure playground and a boating lake.

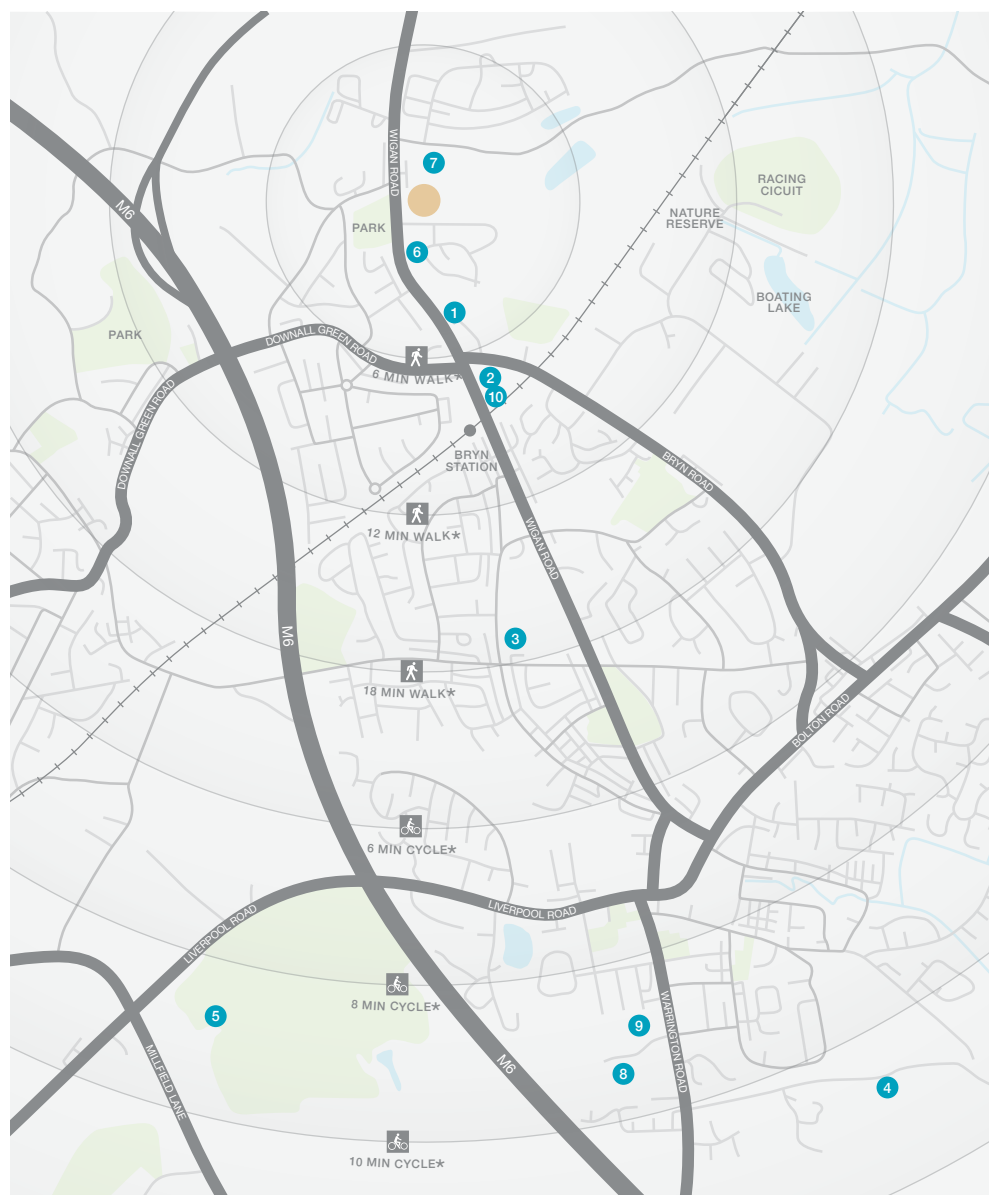

Slightly further away, Haydock Park Racecourse hosts events throughout the year, Ashton-in-Makerfield Golf Club is just over two miles away, and the surrounding towns, including St Helens, Wigan, Warrington and Leigh, offer a choice of theatres, cinemas and live music venues. The area also features some superb outdoor attractions such as canal-side walks, watersports at the Scotman's Flash activity centre, the large Winstanley Park with its reputedly haunted Hall, and Orrell Water Park where there is a coarse fishery, woodlands and fascinating wildlife.

Bryn Cross Surgery, five minutes' walk away, is the nearest of two convenient GP practices, and a nursery 250 yards from the development, Brooklands Childcare, complements a choice of local schools. Landgate Primary, a few minutes' walk away, is assessed as 'Good' by Ofsted, and there are C of E and RC primary schools within walking distance. One of the two high schools in Ashton-in-Makerfield, Byrchall High School, is included in the first phase of the government's schools rebuilding programme.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
