# A warm welcome to Hampton Place

Exclusively designed for the over 60s, our stunning new development of one and two bedroom retirement apartments is located on Anglesea Road, with car park access off Stratton Road, in the heart of Shirley.

Here you will enjoy the benefits of living in your own home, free from the worries of outside maintenance or gardening and with like-minded retirees as your neighbours. There's also the added support that comes from having a dedicated House Manager.

Offering everything you need to enjoy an active and independent retirement, these stylish apartments are brought to you by McCarthy & Stone – the only UK developer, of any size or type, to have been awarded the full five-star rating for customer satisfaction by the Home Builders Federation every year since the awards began.

# The lifestyle you could be living

You'll feel right at home in your beautiful new apartment in next to no time. It's easy to relax knowing there's a dedicated House Manager on hand during the day – a friendly face who will be around during office hours to provide help and support.

Our House Managers don't just take care of the practicalities of running our developments. Included in their role is to help organise social activities, which our residents are free to get involved in if they wish.

Best of all, living in a McCarthy & Stone property makes it easier for you to enjoy your retirement to the full, because we take care of some of the mundane tasks that eat up so many precious hours.

We also look after the beautifully landscaped gardens at Hampton Place, meaning you can sit back and enjoy the outside space without having to lift a finger when it comes to their upkeep.

## More time to do the things you love

Hampton Place has everything you need to get on with enjoying your active and fulfilling retirement lifestyle.

The stunning communal lounge opens out to beautiful landscaped gardens, providing the perfect space to sit back, relax and enjoy your retirement with friends, old and new.

And if you have visiting friends or relatives who would like to stay the night, instead of the hassle of making up a spare bed you can book them into the development's guest suite, which has en-suite facilities<sup>^#</sup>. They will find it's like staying in a hotel, while all you need to worry about is making the most of their company.

We also understand the companionship that a pet can bring, so if you're used to having a pet around you're welcome to bring them too<sup>†</sup>.

# Designed to make **your** life easier

Step inside one of our new apartments and you'll soon start to wonder why you didn't move years ago. You'll settle quickly into your spacious new home, with plenty of room for your precious belongings.

When family and friends visit you can entertain them in comfort and style in your home, with the communal lounge providing extra space, should you need it. Selected apartments also benefit from balconies/Juliet balconies or patio areas.

## **Life's little luxuries are waiting for you**

In the kitchen, you'll see that we've incorporated a range of high quality appliances, including a waist-height oven, ceramic hob, and integrated fridge/freezer. Everything is designed to make cooking and cleaning as effortless as possible.

Our luxurious bathrooms are designed to offer both functionality and safety. They all have low access showers, so you can get in and out easily, as well as slip-resistant flooring and lever taps that turn on and off effortlessly.

“ Everything is new, so I don't have to worry about appliances failing or anything else. The underfloor heating is lovely and warm, and we no longer have any maintenance worries to think about. ”

# We'll be there every step of the way

If you choose to buy a property, you can benefit from our Part Exchange or Smooth Move service. We can even help towards estate agent fees and legal services, and provide a specialist removals service.

Of course, you might be happy to sell your old home on the open market. But it's worth noting that whatever the value of the property you're leaving – be it more, less or equal to that of your new apartment – if you choose our Part Exchange scheme you won't need to find a buyer. You just decide what's best for you.

If you'd prefer to rent your new home, please ask how we can support you in making your move.

## Smooth Move

Our Smooth Move makes the whole moving process easier for you and helps you feel instantly at home in your new apartment. You couldn't be in better hands.

Leave all the lifting and carrying to us. Our team of specialist removers can help you declutter, pack up your belongings and take them to your new apartment before carefully unpacking them again.

We can even hang your pictures and mirrors, put up shelving and do any other small tasks that'll soon have your new apartment feeling like home.

**As well as our free specialist removals service, Smooth Move also offers you:**

- £2,500 towards your estate agent fees; and
- £1,000 towards legal fees.

## Part Exchange

If you're looking for the quickest, most straightforward route into your new McCarthy & Stone apartment, our Part Exchange service might be the answer. You effectively gain a cash buyer, removing the risk of problems with property chains. You won't need an Estate Agent either, so you will save money on fees.

While Part Exchange can speed up the whole moving process, we still appreciate that you won't want to feel rushed into getting everything done on moving day. That's why we give you access to your old property for up to a fortnight after the sale completes.

Of course, we can't guarantee you won't get a better price for your property on the open market. But many customers say the time, expense and hassle they save with Part Exchange makes it the better option for them.

For both Smooth Move and Part Exchange, terms and conditions apply. Offers may change, are correct at time of print and are only valid if you buy your new home.
