# Welcome to Cromwell Abbey

This exciting new development is in the Cambridgeshire market town of Ramsey and within easy reach of Huntingdon and Peterborough.

The bustling town of Ramsey has local shops, a Tesco supermarket, businesses, parks and sports clubs and it is 12 miles to Huntingdon – from where trains run to London St Pancras taking less than an hour.

Ramsey's Rural Museum of Fenland life is a popular attraction, as is the Fenland Light Railway and Ramsey Heights Nature Reserve.

Take the A141 south to Huntingdon and you'll find an array of shops, supermarkets, restaurants, sports and leisure facilities. Head 13 miles north and you'll find the lively city of Peterborough with its thriving theatre, culinary and

entertainment scenes. Historic Cambridge is 30 miles, via the A141, which links the area to the A1, the M1, the East Midlands, the M11 for London and Peterborough 13 miles.

Our range of 2, 3 and 4 bedroom homes embrace contemporary design, while retaining classic architecture and traditional build quality. They include popular features such as open-plan living areas, stylish fitted kitchens, bi-fold doors and spacious master bedrooms with en suites.

So, if you're looking for a quality new home in a Cambridgeshire village your search ends here!

# A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

## Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
