We build homes
we are proud
to put our
name to.

“When designing our house types we want to create spaces that appeal to modern families. Open plan, flexible layouts with space for the whole family to live comfortably. That’s exactly what we have created with the Story Collection, and we couldn’t be more proud.”

Andrew Hewson, Head of Design

Step inside a Story home and you will find a high specification, with more included than you might think. Here are just a few of our favourite features...

Designer kitchens with Bi-fold or French doors

Open plan flexible living

High-quality materials

Larger turfed gardens and paved patio areas

Higher ceilings creating lots of natural light

Porcelanosa bathroom tiles

Beautiful street scenes

Relaxed spacious lounges

Our homes at Elston Park

Our homes feature attractive exteriors, adding to the charm of the area and creating the beautiful developments for which Story Homes is renowned.

Homes built to last, with a high specification.

Image shown is for illustrative purposes only.

Of course, every home is unique. But with a new Story home, you'll discover some elements are shared. Like open plan living areas that radiate light and space. Well-designed kitchens that deliver practicality and durability. Beautifully designed bathrooms and en-suites that take centre stage. Plus with media plates and a centrally located router, our homes are made with modern living in mind. Bi-fold or French doors also come as standard, helping to create a seamless link between your home and garden.

What's more, when you buy a new Story home, you have the opportunity to personalise your home even further with our choices, upgrades and optional extras which can be incorporated seamlessly into your new home.

It's not only our high specification that's well

considered. Our homes are built with sustainability in mind, with the aim of helping the environment and saving you money.

A new build is more economical to run than an older property, using less energy and producing significantly lower CO2 emissions, meaning lower running costs.

Energy saving features could include:

- High levels of thermal efficiency
- 'A' rated kitchen appliances (majority of appliances)
- Dual flush toilets
- 100% energy efficient lighting

Each home at Elston Park is built with thermally-efficient building materials, and has a smart meter installed, so you can monitor your energy consumption. This, along with water-saving appliances and an airtight design, will give you all the benefits of a new build home.

Founded
in 1987.

We are passionate about building homes that we are proud to put our name to.

Our mission is to design and build quality homes that people aspire to live in. Homes that are designed for modern living, and built to be anything but standard, with flexible layouts, integrated appliances and high-quality materials.

We have been successfully building homes that stand out from the crowd across Cumbria, the North West, North East and Southern Scotland for thirty five years. But we would not be where we are today without our people, our craftsmen, our suppliers, and, of course, our customers.

Our passion, commitment and enthusiasm drives us to be the best and create spaces that people are proud to call home. We are one team, working together to 'do it right', and our exceptional quality and attention to detail runs through everything we do.

Customer satisfaction has always been one of our key strengths, and we regularly receive superb feedback from our customers. We use this to help us make continuous improvements to our homes and our after-sales service.

Taking care of you

Our reputation is firmly built on the quality of our exceptional homes and our high standards of customer service. Before you move in, you'll be provided with a comprehensive 'Home Information File' that explains everything about your new home and what you can expect throughout your customer journey.

Prior to moving in you will receive a home demonstration from your Site Manager and Sales Executive, who will answer any questions you might have about your new Story home.

Going the extra mile

We pride ourselves on providing a friendly, easily accessible, knowledgeable and efficient service for our customers. As well as care and support from our Sales team during your purchase, our local and dedicated team of advisors and technicians will also be here to take care of you after you have moved in.
