LONDON W13

A STYLISH COLLECTION OF
1, 2 & 3 BEDROOM APARTMENTS
ON DRAYTON GREEN PARK

Parklife on your doorstep

Walk out onto beautiful
Drayton Green Park

An aerial photograph of London at sunset. The River Thames flows through the center of the city, reflecting the golden light of the setting sun. The skyline is dominated by modern skyscrapers, including the Shard on the left and the Gherkin in the center. The foreground shows a mix of residential buildings and green spaces. The overall atmosphere is warm and hazy.

Citylife around the corner

In just 15 minutes you could be in
Paddington Station, gateway to the city centre

23 spacious, new-build apartments on beautiful Drayton Green Park

With peaceful Drayton Green Park as your backyard and Paddington Station just a short journey away, Drayton Place is ideally located in thriving West Ealing. In and amongst a host of leafy parks, local pubs and cosy cafés, this brand new development offers spacious 1, 2 and 3 bedroom apartments built with intelligent, sustainable design and to a high specification. All 23 apartments benefit from a balcony, terrace or garden – a rare luxury in London. All apartments overlook the park or landscaped courtyard.

Embrace the parklife

Walpole Park

Formerly the estate grounds of Pitshanger Manor. The water features and landscaped gardens spring to life in Summer and provide a picturesque backdrop to a lazy afternoon in the sun.

Drayton Green Park

Take one step from your front door and it's easy to forget you're in London. This beautiful green sanctuary in the heart of West Ealing provides that peace and quiet so often sought in the city.

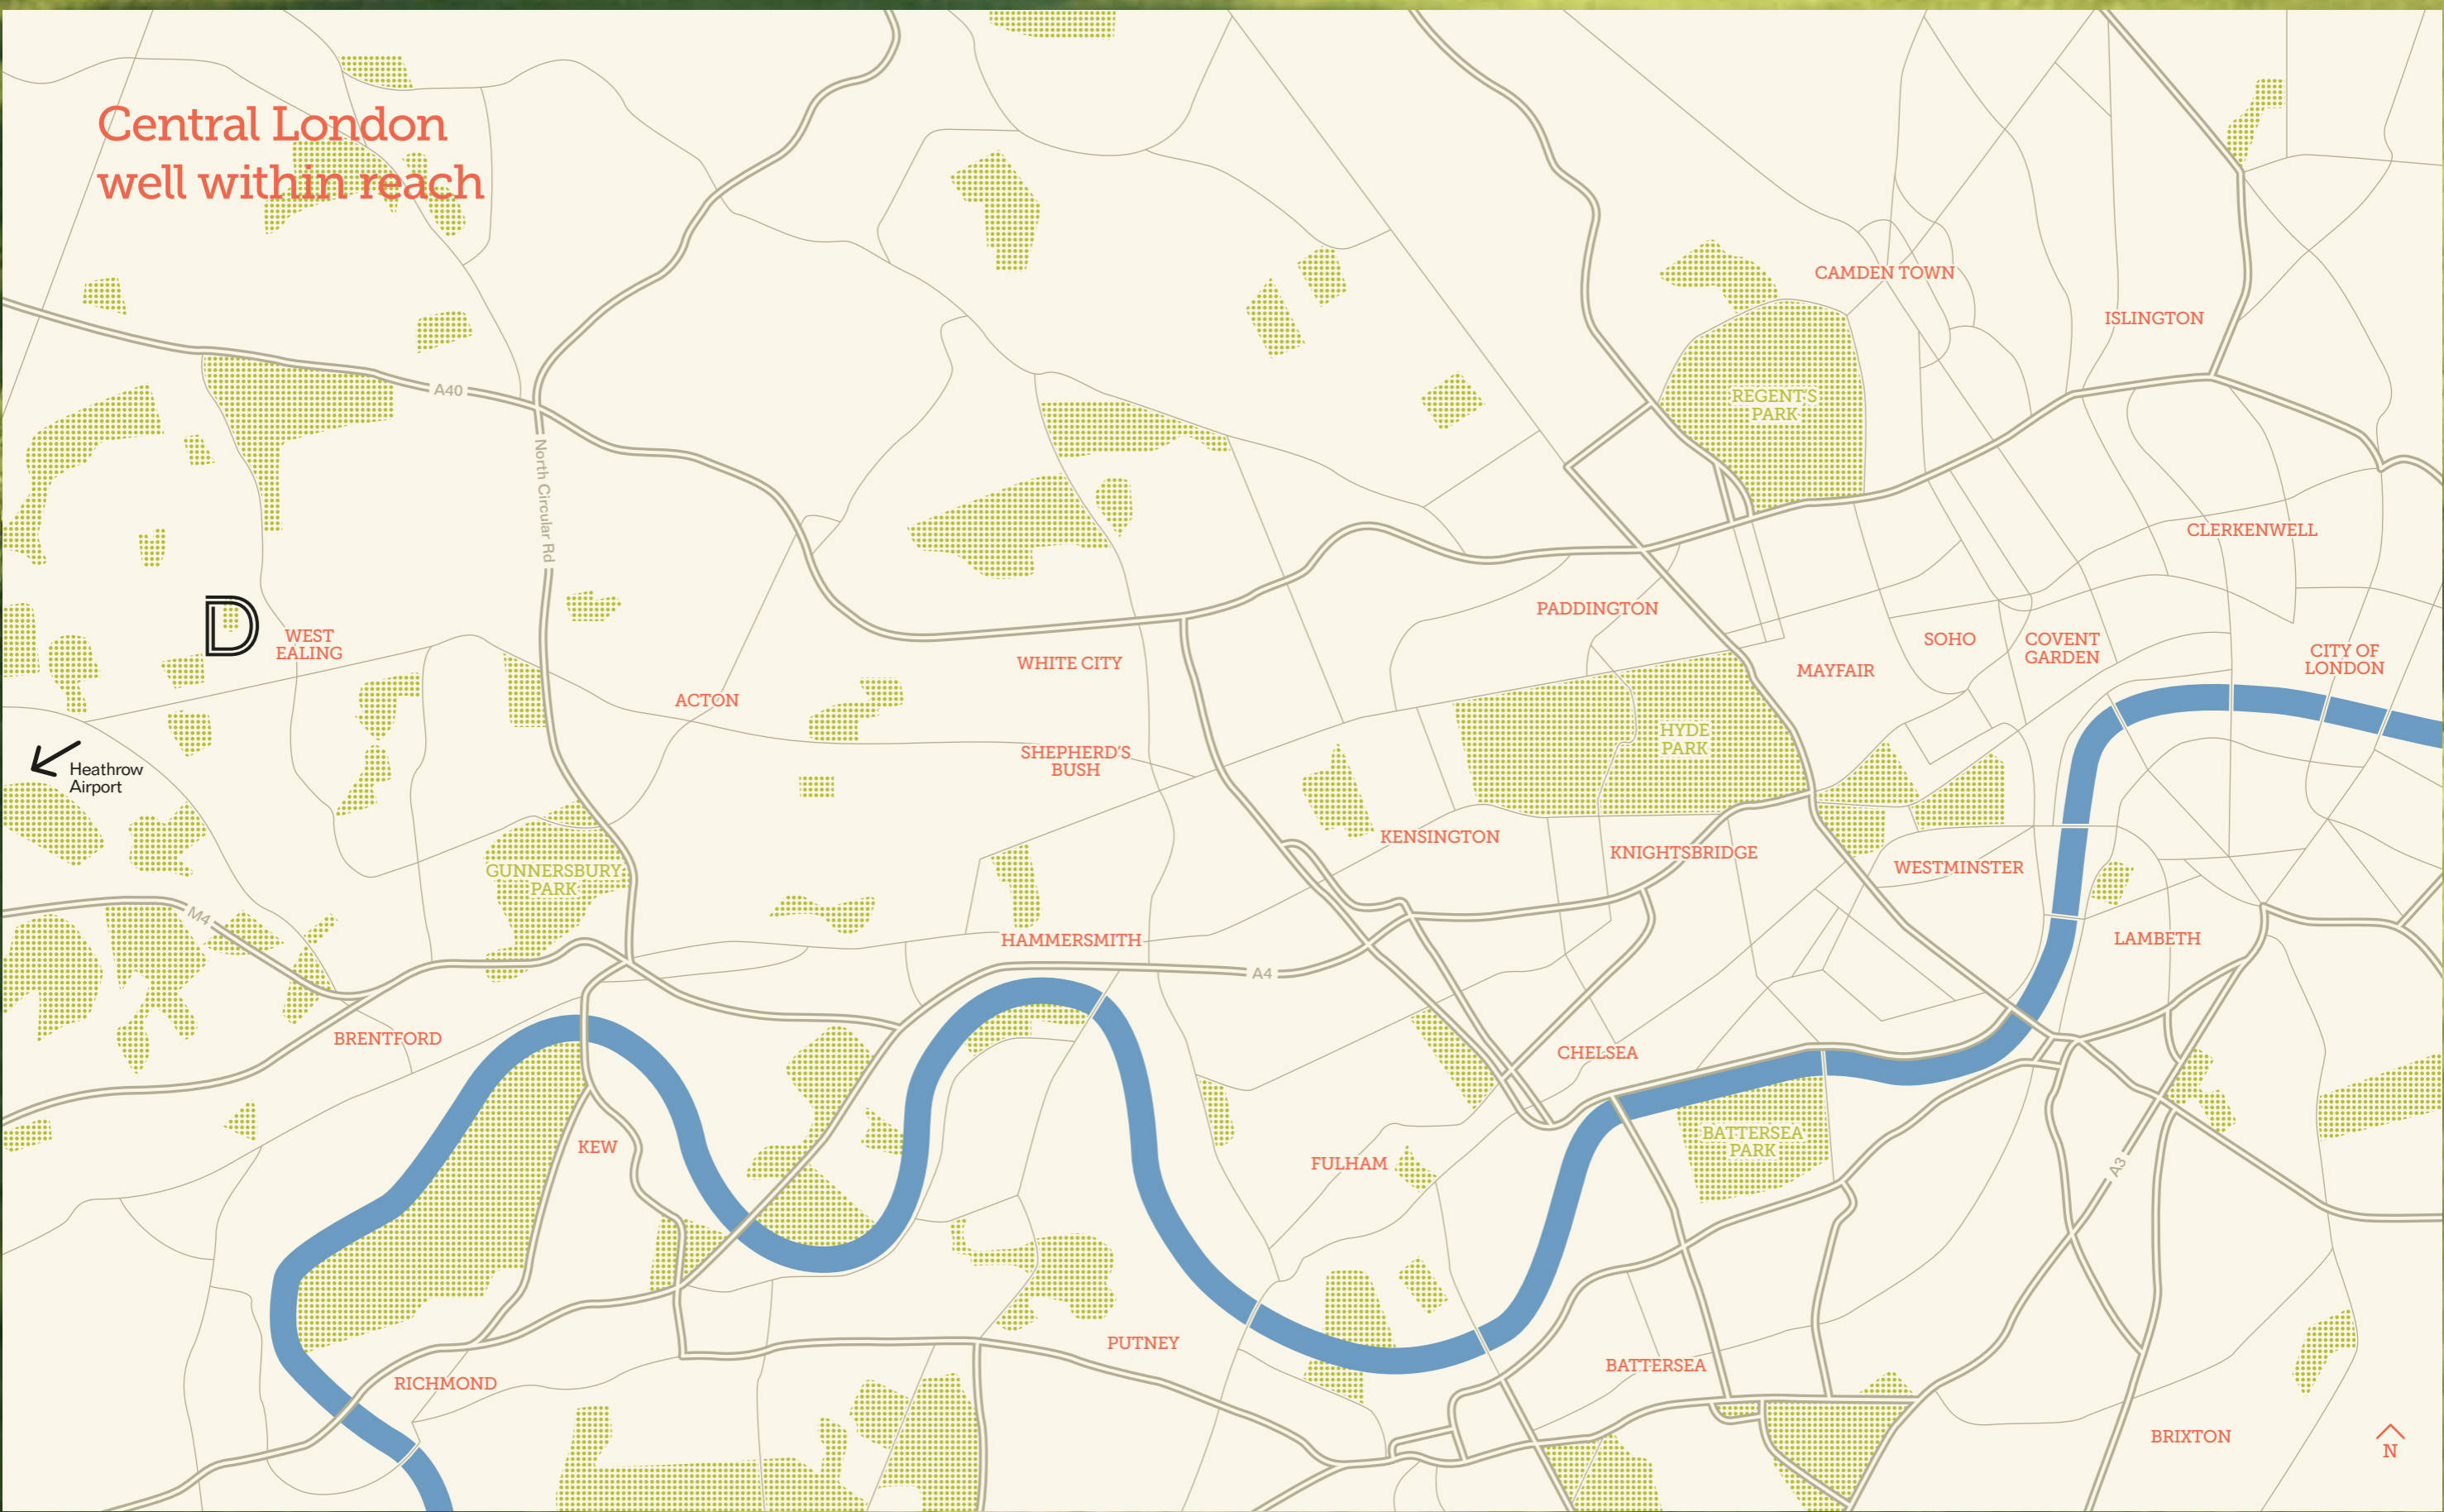

Lammas Park

Lying just south of Walpole Park, Lammas offers a host of activities including tennis and croquet. If you're not feeling quite so active, tree-lined paths beckon those simply looking to wander.

Central London well within reach

Heathrow
Airport

Planes, trains and automobiles

Wherever you're going and however you choose to get there, setting off from Drayton Place means the journey will fly by.

Residents at Drayton Place will instantly feel well connected. With direct trains to Paddington every 15 minutes and the Central and District tube lines just one stop away at Ealing Broadway, travel to Central London is seamless. Countless buses pass up and down the Uxbridge road every day, whisking you to Shepherd's Bush in just 45 minutes.

London gets closer with Crossrail

Getting there faster

Time is of the essence and the arrival of Crossrail brings central London even closer to your front door.

The overall impact of Crossrail on travel times will be huge – in many instances travel times will be halved. The journey to Liverpool Street from West Ealing, for example, will be cut from 42 to 21 minutes, while you could be at Heathrow Airport in as little as 11 minutes. Crossrail will be operational from 2019.

New Opportunities

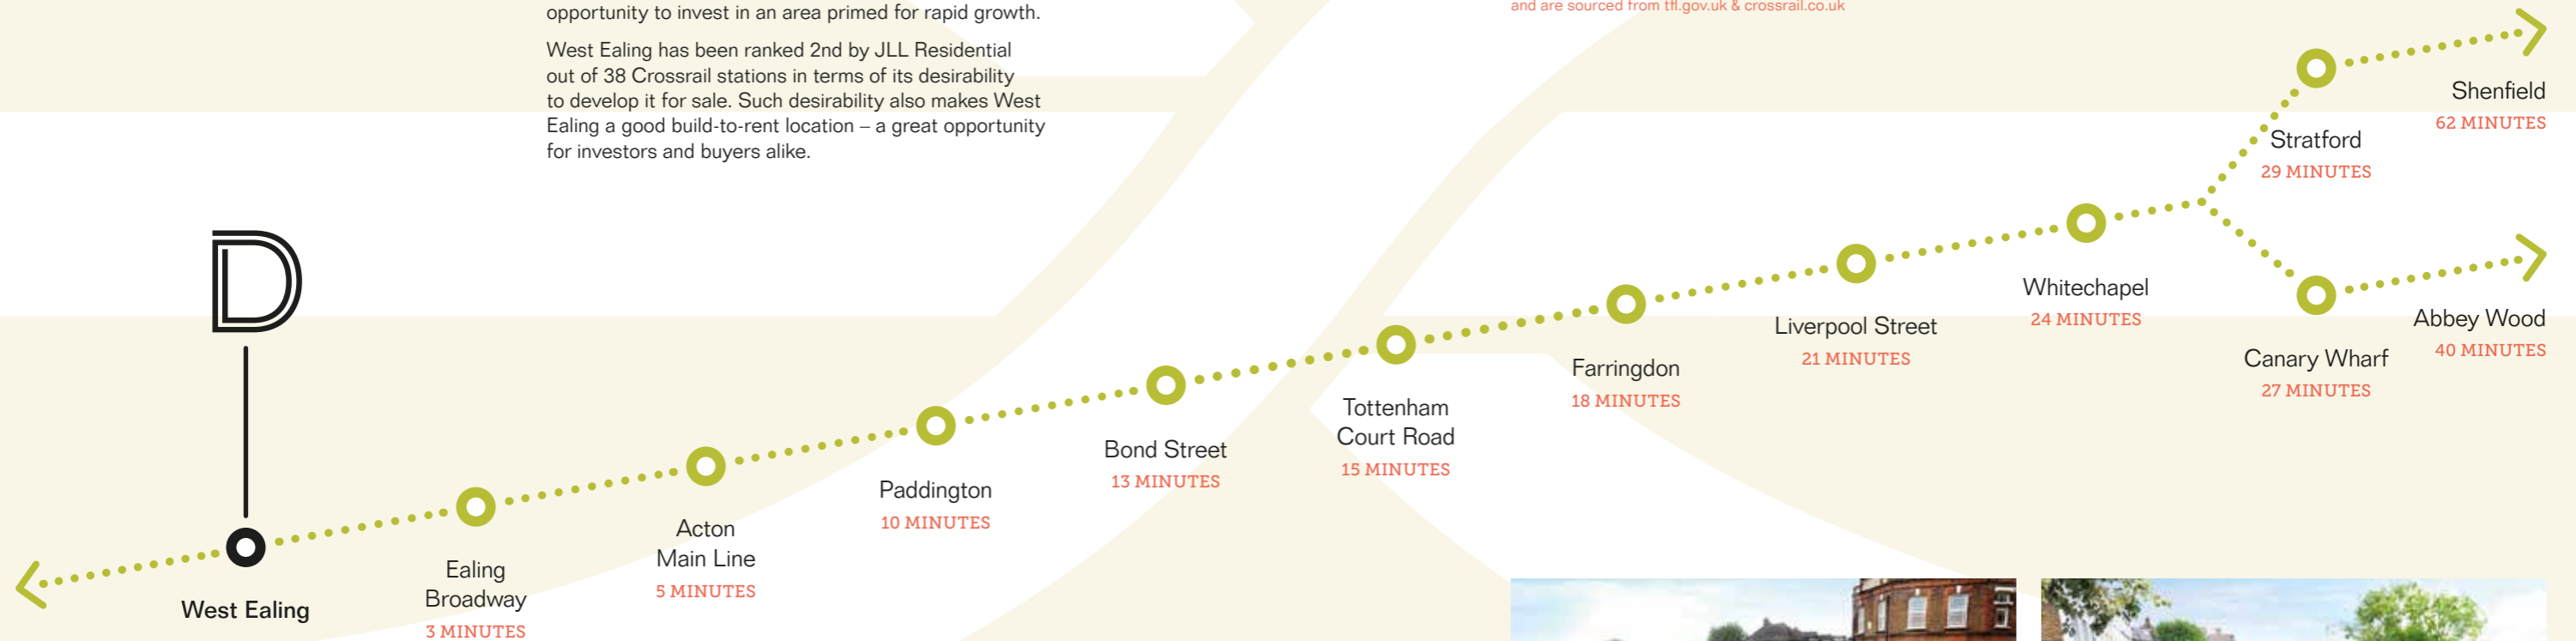

Crossrail in West Ealing also brings with it an opportunity to invest in an area primed for rapid growth.

West Ealing has been ranked 2nd by JLL Residential out of 38 Crossrail stations in terms of its desirability to develop it for sale. Such desirability also makes West Ealing a good build-to-rent location – a great opportunity for investors and buyers alike.

Sustainable living

Environmental sustainability and performance is central to the approach taken by Family Mosaic in creating Drayton Place. We strive to deliver homes that are environmentally responsible, energy efficient and built to last.

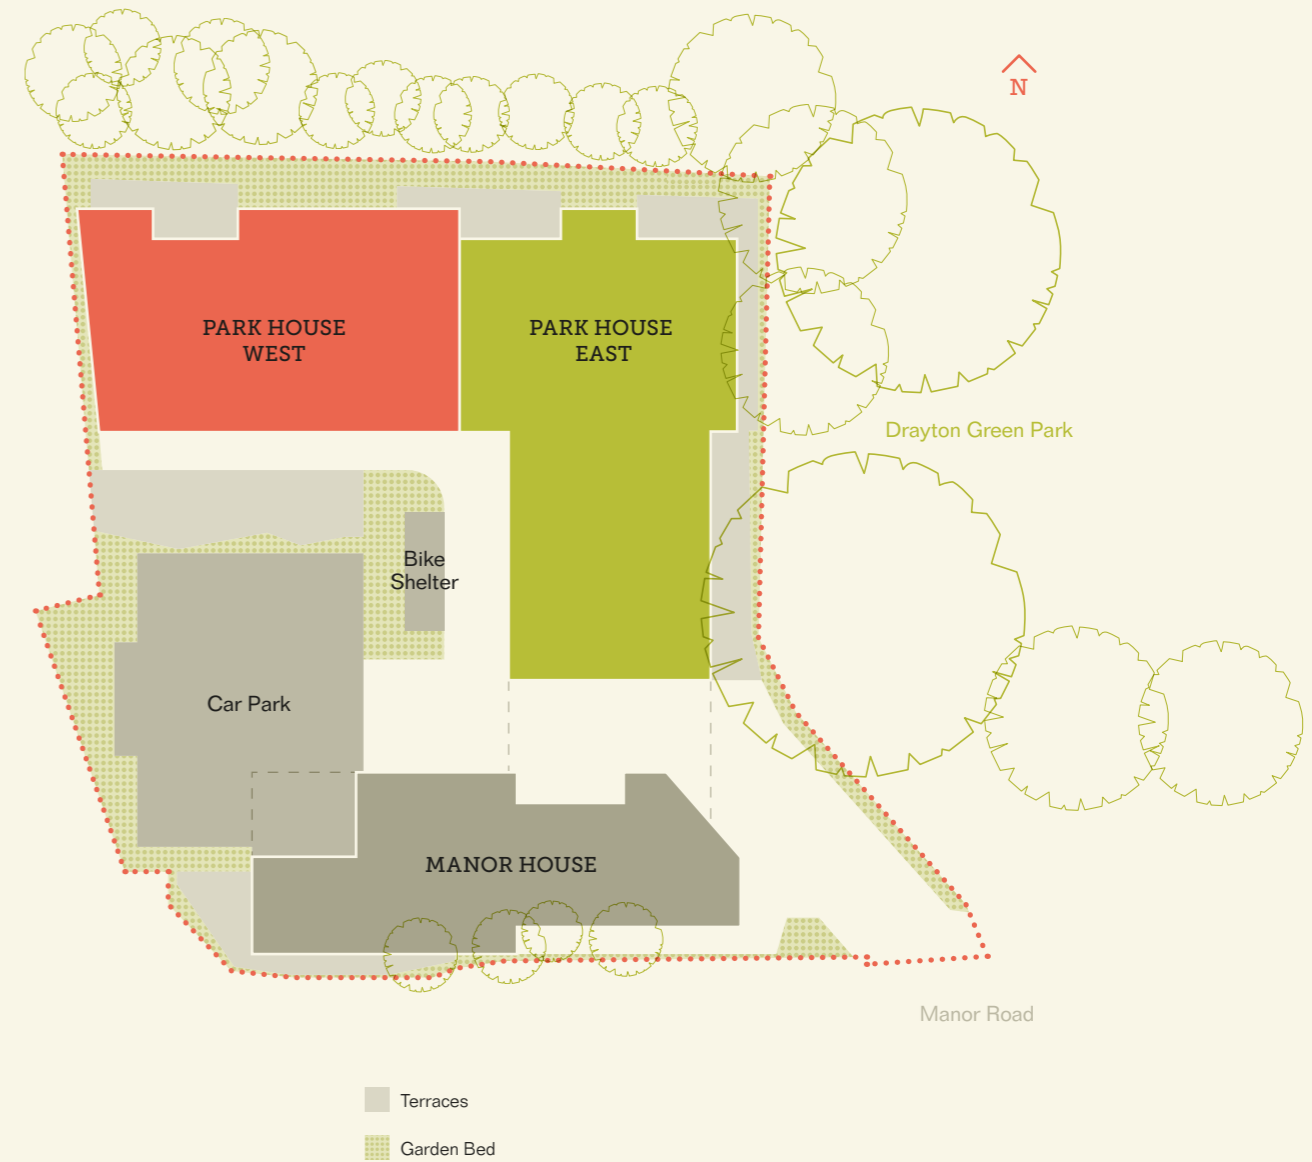

At Drayton Place, we're proud to achieve a Code for Sustainable Homes Level 4 certification through the use of Vaillant A+ rated combination boilers, along with photovoltaic roof panels. The homes are designed to be energy efficient, assisted by the selection of white goods and low energy light fittings, which could possibly reduce energy costs for buyers. Flow restrictors are fitted to the taps and the WCs feature dual flush plates to help conserve water usage. The timber used for the window frames is obtained from sustainable sources, and recycling bins are also provided for each unit. In addition, two green roofs have been installed to support local wildlife.

Sustainability aspects of the scheme are further enhanced by the inclusion of secure cycle storage for residents of Drayton Place.

What's more, by purchasing a new home at Drayton Place you are sharing in our endeavours to promote a more eco-friendly way of building and living. Our commitment to sustainability means you can have complete confidence that what you are buying and the way of life at Drayton Place supports a more economical and conscious future.

Site plan

Nestled in the south west corner of Drayton Green Park, Drayton Place has all the benefits of parkside living, while the trees which surround it create a sense of seclusion and privacy from the outside world.
