

Edgewater Park

Edgewater Park has been divided into five neighbourhoods to create a sense of community and to offer a variety of accommodation. These will be:

The Boulevard

Boasts 3 and 4 bedroom detached houses, 3 bedroom semi-detached houses, 3 bed townhouses and mews, including a stylish crescent of 3 bedroom mews properties. This phase surrounds the bowling green and many of the properties have views over the canal.

The Green

Next to a beautiful area of public open space, with many of the properties looking out on to it, this phase features 3 and 4 bed detached houses, 3 bed semi-detached houses, and 1, 2 and 3 bedroom mews and townhouses.

Canalside Wharf

Along these tree-lined and curving roads (a feature common to most of the phases) are 3 and 4 bedroom detached houses, 3 bedroom semi-detached houses and 3 bedroom mews and townhouses. The apartments have canal-side views.

Park View

Many of the properties in this phase have a view over the public open space, some are in small cul-de-sacs. The properties range from apartments and 3 bedroom mews and townhouses to 3 bedroom semi-detached houses and 3 and 4 bedroom detached houses.

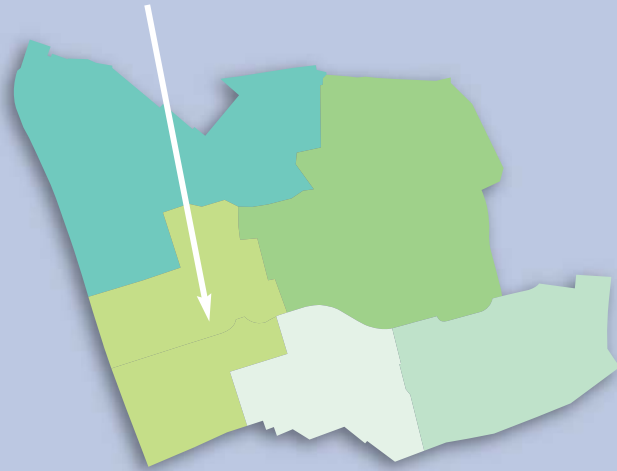

Water's View

There are two elements to this phase – one of 3 and 4 bedroom detached houses, 3 bedroom semi-detached and 3 bedroom mews and townhouses, while the other part is made up of apartments with canal-side views.
